

## OUR COMMITMENT TO YOU

We are committed to providing the greatest impact and value with your contribution.

### WE WILL:

**INCREASE** the utilization of services available to our investors.

**COLLABORATE** with regional partners to maximize efficient delivery services.

**ENHANCE** networking opportunities, resulting in business expansion and retention.

**PROACTIVELY CONNECT** businesses with essential services, education and retention.

**DELIVER** reliable economic development data and information.

**ESTABLISH & FOSTER** valuable relationships with developers and site selectors for potential new projects.

**MARKET** Boone County's greatest assets.

Thank you for your consideration.

## ANNUAL INVESTOR LEVELS & BENEFITS

On behalf of Growth Dimensions Economic Development and our region, we are requesting your support in 2022.

Our investors directly impact Boone County's economic growth. Your annual support enables Growth Dimensions Economic Development to continue positioning Boone County and the larger region as one of the nation's leading destinations for new business opportunities and expansion of existing businesses.
